Sub: Request for Campus Recruitment

Respected Sir,

As a part of our continuous strives to bring the companies to the college premise, I would like to request you to consider the possibilities of conducting your recruitment drive for under graduate students.

We want to join hands with your esteemed organization and help our students to achieve a better career in your company. Hope, we will provide you quality entrant from different degree courses such as, science, commerce and arts.

I would give a brief introduction of our college. Raniganj Girls' College, since 1980, is established to meet the growing need of the college meant exclusively for the girls of the colliery belt keeping in mind the cosmopolitan demography of the region. The college is located at Searsole Rajbari, Paschim Bardhaman. Our objective is to enlighten the girl students from socially and economically backward sections of the society and inculcate secular and humanitarian values among them. Our mission has always been to maintain the optimum standard in imparting education. At present our college offers undergraduate courses in all four streams i.e. Arts, science, commerce and performing arts with Honours in twenty three subjects including classical vocal and Nazrul Geeti. Our college has introduced few short term certificates courses for facilitating scope for self employment for the student of average merit. Post graduate course in Urdu is also running successfully in the college.

I have about 25 entrant students from commerce stream with computer knowledge and good communication skill. The talents of these students are worth looking.

We will be setting up all your requirements as per your needs. I will be leaving the contact details for the concerned persons your consideration.
