Our Message :-

Constitution Day (Samvidhan Diwas) also known as National Law Day, is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India . On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India. The Government of India declared 26 November as Constitution day on 19 November 2015 by a Gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the Dr. B.R. Ambedkar's *Statue of Equality* memorial in Mumbai. Democracy means rule of People so in Democratic form of government rule is very important as we know constitution is a cluster of rules and regulations by which a Democratic government govern.

All are cordially invited to the webinar.
